G-Tech Bundled Training

G-Tech Innovation Center, Brookshire, Texas, offers:

- ➔ An open training facility for use by any training provider
- ➔ A fully-inclusive programming service to bundle client's needs into one combined course and location at one time for:
 - Employee induction, competency testing, on-boarding or “bootcamp”
 - Ongoing compliance training and certification
 - Development in soft and practical skills, including OEM demonstrations
- ➔ A network of training providers
- ➔ Inclusion of client's preferred providers and specialist trainers
- ➔ Accommodation, transport, catering and general welfare for attendees
- ➔ Team building events such as visits to local attractions and social activities
- ➔ Significant savings in cost and non-productive time
- ➔ Spreading of costs to suit operating budgets
